Dentsply Sirona

About Dentsply Sirona

Dentsply Sirona is the world's largest manufacturer of professional dental products and technologies, for both clinics and labs. We are focused on advancing dentistry for a healthier world. We do this by empowering dental professionals to confidently do the best for their patients and practices, working with them to envision what's possible, and providing the products, services, digital platforms, workflow solutions and education they can trust to move forward. From better and more predictable patient outcomes, to easier and more efficient workflows, we help them build more sustainable and impactful practices, and a healthier world. With Dentsply Sirona, they can advance with confidence.
